Sa Sekhem Sahu is pronounced Sa (Sah) Sekhem
(Say-Kem) Sahu (Sah-Hoo)

Translation:

Sa means the breath of life or life force

Sekhem means power or might. Sekhem is the power that animates the Sahu; the power that leads one to spiritual consciousness. The word Sekhem is literally inseparable from Sekhmet and Her worship.

Sahu is the spiritual body. Sahu is one of the Five Bodies of each human according to Egyptian cosmology.

Sekhem is often thought of as being energy systems called Sekhem/Seichim. Whereas, Sekhem is really the name of an ancient energy which can actually be more ancient than Egypt and said to be traced back to ancient Lemuria.

The Sa Sekhem Sahu produces a powerful energy of connection and transformation.

Chant to balance and increase your inner power,
to bring strength and transformation.

If you breathe deeply as you chant this mantra;
you can achieve a powerful altered state that
raises your vibration. As your vibration is raised,
any imbalanced energy is transformed and
purified. The more you are united with the divine
source, the stronger your aura will develop,
which is an innate protection against outside
negative forces

This energy can also bring you into closer unity
with Goddess Sekhmet.

The name Sekhmet comes from Sekhem, meaning
strength or power. It means she who is powerful.

To Run Energies:

To activate this energy and after your attunement
simply state or chant Sa Sekhem Sahu and the energy
will flow.
